

Rotating Unbalance and More 2 DOF Systems

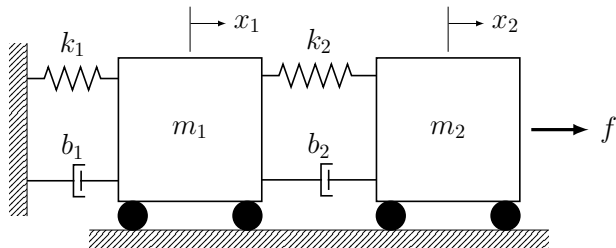

EGR 345

GVSU

Plan for today

- quick review
- quiz 1 and exam 1 plans and topics
- rotating unbalance
- more on 2 DOF systems
 - how can Python help us understand 2 DOF systems?

Review: 2DOF TFs

$$G_1(s) = \frac{?}{?}$$

$$G_2(s) = \frac{?}{?}$$

Rotating Unbalance

- classic problem that might be used in your project designs

2 DOF TFs

- they are complicated
- how can we understand them?
- I don't want to do really long PFE problems
 - can Python help us?
